

## SHARE YOUR UBUNTU STORY WITH US

Email us your ubuntu resource

Every day, stories fill our world with the potential to connect with each other through the concept of ubuntu. By sending us a link to a story, study, podcast or inspiring video, we can share it to an even larger audience. Or do you know of organizations who need to be seen more or who are doing exciting work? Send us their contact information so we can expand our World Wide Web of connection. Download this pdf, fill it out, and attach it in an email to [Ubuntuworks](#).
